

2021 Sheboygan River Progressive Farmers Member Conservation Practice Survey

Sheboygan River Progressive Farmers (SRPF) requests current and future members take this brief survey to understand what conservation practices are being done on the land and to track our group's progress. **Identifying member information will remain confidential** and only aggregated results will be shared publicly. This information helps us report progress and the impact we are having to organizations that provide funding to our group for activities and also share our progress with our community.

*****Surveys must be completed by November 15th to be eligible for cost-share.**

Please place a check mark in the column most applicable to you and your farm and **if you are using a tool or practice, please let us know how many acres that practice is used on**. If you have any questions while completing this survey, please email Jamie Fisher at jfisher@dairyforward.com or (920) 905-3446. **OR you can visit srpfarmers.com to fill out the survey online.**

Are you a SRPF member? Yes _____ No _____ If not, would you like to become one Yes _____ No _____

Name: _____

Farm Name: _____

Address: _____

City: _____ St: _____ Zip: _____

E-mail address: _____

Phone: _____ Cell: _____

Farm type (circle) Dairy Beef Hog Crop Other (describe): _____

Cropland acres managed (include owned & rented total): _____ Pasture acres: _____

Grassland/CRP acres: _____ Forest acres: _____ Wetland acres: _____

Total livestock head (*Total youngstock + adult animals. If multiple species, include # of each, i.e. 100 dairy, 200 beef*):

Your most common crop rotation in recent years: _____

What programs or initiatives would you like to see SRPF pursue in the future?

Please return completed survey to jfisher@dairyforward.com or mail to
Sheboygan River Progressive Farmers, Joe Wagner, W8511 Glen Rd, Glenbeulah, WI 53023

| Tool or practice | Yes | If yes, how many acres/miles/count in 2021? | No, but interested |
|--|-----|--|--------------------|
| Soil sampling (acres) | | acres | |
| Plant tissue sampling (number of samples) | | # of samples | |
| Manure sampling (number of samples) | | # of samples | |
| Variable rate fertilizer application (acres) | | acres | |
| Split Nitrogen Application (acres) | | acres | |
| Nitrogen/Phosphorus stabilizer (Circle) | | acres | |
| Are you following a 590-compliant Nutrient Management Plan (NMP)? | | Circle: Farmer-written OR Qualified-planner written # of acres in your plan: _____acres | |
| Cover crops (acres) | | acres | |
| When were cover crops planted? | | Circle: Fall OR Spring (you may circle both) | |
| No till (acres) | | acres | |
| Reduced tillage (vert. till, strip till) (acres) <i>DO NOT INCLUDE NO-TILL ACRES, CHISEL PLOW, ETC.</i> | | acres | |
| Of the acres planted with reduced tillage or no-till, how many of these acres also had cover crops (acres) | | acres | |
| Planting green (acres) | | acres | |
| Total grassed waterway (miles) | | miles | |
| Buffer strips (miles) | | miles | |
| Manure composting (yes/no) | | Yes No (circle) | |
| Low-disturbance manure injection (acres) | | acres | |
| How many acres of no-till or strip-till do you also use manure injection (acres) | | acres | |
| How many acres of your cover crops did you also use manure injection (acres) | | acres | |
| Manure nutrient sensing technology (acres) | | acres | |
