2026 Sheboygan River Progressive Farmers Member Conservation Practice Survey

Sheboygan River Progressive Farmers (SRPF) requests current and future members take this brief survey to understand what conservation practices are being done on the land and to track our group's progress. **Identifying member information will remain confidential** and only aggregated results will be shared publicly. This information helps us report progress and the impact we are having to organizations that provide funding to our group for activities and also share our progress with our community.

*****Surveys must be completed by November 15 to be eligible for cost-share.**

Please place a check mark in the column most applicable to you and your farm and **if you are using a tool or practice, please let us know how many acres that practice is used on**. If you have any questions while completing this survey, please email Marti Viste at mviste@farmersforsustainablefood.com or (920) 495-5583 **OR you can visit *srpfarmers.com* to fill out the survey online.**

Are you a SRPF member? Yes_____ No _____ If not, would you like to become one Yes_____ No_____

Name: _____

Farm Name: _____

Address: _____

City: _____ **St:** _____ **Zip**: _____

E-mail address: _____

Phone: _____ **Cell**: _____

Farm type (circle) Dairy Beef Hog Crop Other (describe): _____

Cropland acres managed (include owned & rented total): _____ **Pasture acres:** _____

Grassland/CRP acres: _____ **Forest acres:** _____ **Wetland acres:** _____

Total livestock head *(Total youngstock + adult animals. If multiple species, include # of each, i.e. 100 dairy, 200 beef)*:

_____

Your most common crop rotation in recent years: _____

What programs or initiatives would you like to see SRPF pursue in the future?

_____

_____

_____

_____

Tool or practice	**Yes**	**If yes, how many acres/miles/count in 2026?**	**No, but interested**
Soil sampling (basic)	**Circle:** Yes or No		
Plant tissue sampling	**Circle**: Yes or No		
Manure sampling	**Circle**: Yes or No		
Variable rate fertilizer application (acres)		acres	
Split Nitrogen Application (acres)		acres	
Nitrogen stabilizer (acres)		acres	
Are you following a 590-compliant Nutrient Management Plan (NMP)?	**Circle**: Yes or No _____ acres (Do not include acres that receive manure from your farm but you don't manage)		
Cover crops (acres) (Does not include Alfalfa)		acres	
No till (acres)		acres	
Of the acres planted with no-till, how many of these acres also had cover crops (acres)		acres	
Reduced tillage (vert. till, strip till) (acres) *DO NOT INCLUDE NO-TILL ACRES, CHISEL PLOW, ETC.*		acres	
Of the acres planted with reduced tillage, how many of these acres also had cover crops (acres)		acres	
Planting green (acres) (circle below) Terminated: pre-planting or post-planting		acres	
Total grassed waterway (miles)		miles	
Low-disturbance manure injection (acres)		acres	
How many acres of no-till do you also apply low-disturbance manure injection (acres)		acres	
How many acres of strip-till do you also apply low-disturbance manure injection (acres)		acres	
How many acres of your cover crops do you also apply low-disturbance manure injection (acres)		acres	
Rotational grazing (acres)		acres	
Biological additives (acres)		acres	
Were you able to reduce commercial fertilizer input as a result of biological additive	**Circle**: Yes or No		
Soil health testing (Advanced) (Haney, PLFA, TND)		acres	
Did you change your fertilizer rate based on your soil health test results?	**Circle**: Yes or No
